### **620 TEMPORARY EVIDENCE OF APPORTIONED REGISTRATION**

- (a) The Base Jurisdiction may issue temporary evidence of apportioned registration pending the issuance of Credentials, and such temporary evidence of apportioned registration shall be recognized by other Member Jurisdictions.
- (b) The temporary evidence of apportioned registration shall identify all of the Member Jurisdictions and the registered Vehicle weight or other qualifying information for each Member Jurisdiction. The temporary evidence of registration shall specify the effective date of the Vehicle's registration and an expiration date for the temporary evidence of registration that is not later than 60 calendar days following the Effective Date. The Base Jurisdiction issuing temporary evidence of apportioned registration shall collect all Apportionable Fees due to other Member Jurisdictions with respect to the Vehicle, and shall, under Section 1210, promptly suspend the registrations of a Registrant which fails to pay all Apportionable Fees due.
- (c) The temporary evidence of apportioned registration may be issued by electronic means so long as it can be verified by law enforcement.
- Official Commentary It is the intent of this Section to provide a means for a Member Jurisdiction to issue temporary evidence of registration to a Registrant pending the issuance to that Registrant of Credentials. A Member Jurisdiction is not required to provide for the issue of such temporary evidence of registration, but if it does, such evidence of registration shall be recognized by other Member Jurisdictions as valid. It is the duty of the Member Jurisdiction issuing temporary evidence of registration to ensure that all Apportionable Fees are collected from the Registrant in a timely manner.
